About the Firm:

FCLLP is a firm specialized in providing assurance, tax, and advisory services in the Maldives.

Job Position:

We are seeking a driven and ambitious Senior Manager to join this exciting and fast-growing area of our business. You will play a key role in driving growth by developing our audit and assurance team, quality control and timely delivery of engagements and improved reports as per IFRS standards.

Key Job Responsibilities includes:

1. Manage assurance engagements by defining the audit strategy in consultation with the partner and execute it in compliance with relevant IAS/IFRS policies and protocols. When required, you'll personally execute complex audit procedures and lead teams or parts of teams on engagements, depending on the size of the engagement.
2. Manage projects and engagements profitably by leading the team to perform efficiently.
3. Monitor the assurance team's progress against the plan and alter it when needed
4. Coach and develop people by sharing knowledge with team members and helping team members attain experiences that cultivate technical competencies.
5. Develop people by encouraging individuals to think for themselves and take responsibility for their contributions to the assurance team.
6. Conduct timely performance reviews and provide performance feedback/on-the-job training
7. Maintain cooperative relationships with other departments.

Qualification:

- Member of a professional accounting body or a part qualification.
- Bachelors / Masters in Accounting & Finance

Competencies:

- Minimum of 4 years recent experience working in Audit and Assurance
- Minimum of 2 years recent experience working in a managerial role
- Ability to lead audit teams, manage and supervise ongoing audit assignments
- Technically proficient in audit and accounting
- Excellent analytical, interpersonal, time management, research, and communications skills

Remuneration:

- Attractive remuneration package shall be offered, depending on the qualification and experience.
